

# One-Minute Talk

ESL/EFL  
Speaking  
Activity

## Thank you for buying One-Minute Speaking Activities.

Your life is going to get easier now.

Just print and cut the cards and you'll have hours of no prep speaking activities.

### What you will find:

- 13 pages of topics cards
- 117 topic cards

### What to do with it:

- Put students into pairs/groups and give them a pile of 10-15 cards. Students take turns and talk about about the topic without stopping for 1/5/10 minutes. Or they can play the Challenge version and see who can last the longest!
- Put students into pairs/groups and give them a pile of 10-15 cards. Students take turns and explain the word/phrase on the card. The student who guesses the word/phrase keeps the card. The winner is the students with the most cards.
- Put students into pairs and give them a pile of 5 cards. Explain that they should debate about the topics, express their preferences, opinions, likes/dislikes.
- Put students into pairs/groups and give them a pile of 5-15 cards. Each student draws a card and tells a story about the topic they drew.
- Put students into groups of four and give them a pile of 10-20 cards. Give each group a dice or have them download a dice app. In teams of two, they will take turns to either explain, draw or pantomime the word on the card, depending on which number falls. 1,6: pantomime, 2,5: draw, 3,4: explain. They have 90 seconds for each task and get one point for each successfully completed task. The team with more points wins.
